

HEALTH CONTRACT

MEDFORD — Network Health, a Massachusetts health plan announced that it has entered into a contract with Morton Hospital and Medical Center in Taunton. Network Health's members with MassHealth (Network Health Together™) and Commonwealth Care (Network Health Together™) can now get health care services at Morton Hospital and Medical Center.

“Network Health is pleased to enter into a relationship with Morton Hospital and Medical Center, so we can better serve individuals and families in Southeastern Massachusetts,” says Paul Burke, senior director of network management at Network Health. “Our partnership is rooted in a shared mission to improve the health and well-being of our community members and their diverse communities.”

Network Health partners with a growing network of more than 18,000 primary care providers, specialists, hospitals, and community organizations to serve its members in more than 300 cities and towns across Massachusetts.
