Network Health enters into contract with Morton Hospital

TAUNTON — Network Health, a Massachusetts health plan that provides access to health care to more than 160,000 members with low and moderate incomes, announced Monday that it entered into a contract with Morton Hospital and Medical Center.

Network Health's members with MassHealth and Commonwealth Care can now get health care services at Morton Hospital and Medical Center.

"Network Health is pleased to enter into a relationship with Morton Hospital and Medical Center, so we can better serve individuals and families in southeastern Massachusetts," said Paul Burke, senior director of network management at Network Health.

"Increased access to health care is a critical component of community health," says Julie Hall, director of revenue systems at Morton Hospital and

Medical Center. "In this spirit, Morton Hospital and Medical Center is pleased to partner with Network Health to provide its MassHealth and Commonwealth Care members more choice and increased access to high-quality, comprehensive health care."

Based in Medford, Network Health is a comprehensive health plan serving members through its Network Health Together (MassHealth) and Network Health Forward (Commonwealth Care) plans.

Individuals must be eligible for MassHealth to join Network Health Together, a MassHealth plan. To learn about MassHealth eligibility, Massachusetts residents can contact the MassHealth Enrollment Center at 888-665-9993 (TTY: 888-665-9997), Monday through Friday, 8:45 a.m. to 5 p.m.

To learn about Commonwealth Care health plan options, call the Commonwealth Care Customer Service Center at 877-MA-ENROLL or 877-623-6765 (TTY: 877-623-7773), Monday through Friday, 8 a.m. to 5 p.m.
