**Care**, the state's subsidized health insurance for low-income people, is holding open enrollment until June 25.

The state reported in a news release that **Commonwealth Care** members can choose from five insurance carriers, although not all five plans are available in all areas of the state. In the Worcester area, Commonwealth Care plans are available from **Boston Medical Center HealthNet, Fallon Community Health Plan, Network Health and Neighborhood Health Plan.**

About 174,000 people are enrolled in Commonwealth Care, the state reported. More information on the plans is at [www.MAhealthconnector.org](http://www.MAhealthconnector.org).
