

## **About Network Health**

Since 1997, Network Health has provided access to high-quality health care for Massachusetts residents with low and moderate incomes. Based in Medford, Mass., Network Health is a nonprofit, comprehensive health plan serving members through its *Network Health Together*<sup>®</sup> (MassHealth), *Network Health Forward*<sup>®</sup> (Commonwealth Care), and *Network Health Extend* (Medical Security Program) plans.

To improve the health and well-being of its more than 200,000 members and their diverse communities, Network Health offers fully integrated, in-house care management, providing a team of medical, behavioral health, social care, and pharmacy professionals who coordinate member care. Network Health partners with 20,000 primary care providers, specialists, hospitals, and community organizations statewide.

Network Health earned National Committee for Quality Assurance (NCQA) “Excellent” Health Plan Accreditation, NCQA’s highest accreditation rating, for its *Network Health Together* plan. Since 2010, Network Health has been a top-ten plan among all Medicaid health plans nationally, according to NCQA’s Health Insurance Plan Rankings — Medicaid. Additionally, Network Health is nationally recognized for its innovative programs and received a 2010 Case In Point Platinum Award for “Best Overall Case/Care Management Program” from Dorland Health. In 2010, Network Health also was recognized as having a top leadership team among health plans nationally by HealthLeaders Media.
