

## **Fact Sheet**

- Network Health is a nonprofit, comprehensive health plan based in Medford, Mass., that provides access to high-quality health care to Massachusetts residents with low and moderate incomes.
- Network Health is one of six Medicaid managed care organizations (MMCOs) contracted by the state to provide health care coverage for the state's Medicaid population (those eligible for MassHealth and Commonwealth Care), and the only MMCO contracted by the state to provide health insurance coverage for the state's Medical Security Program Direct Coverage plan.
- Network Health serves members through its *Network Health Together*<sup>®</sup> (MassHealth), *Network Health Forward*<sup>®</sup> (Commonwealth Care), and *Network Health Extend* (Medical Security Program) plans.
- Network Health is available in more than 300 cities and town, and serves more than 121,000 MassHealth members, 56,000 Commonwealth Care members, and 23,000 Medical Security Program members.
- Network Health partners with a growing network of 20,000 primary care providers, specialists, hospitals, and community organizations.
- Network Health's MassHealth plan, *Network Health Together*, gives access to affordable health care for qualified residents, and their families, who meet income eligibility requirements.
- Network Health's Commonwealth Care plan, *Network Health Forward*, extends access to affordable health care for qualified residents 19 years or older who earn at or below 300% of the federal poverty level: approximately \$32,000 a year for an individual or \$67,000 a year for a family of four.
- Network Health's Medical Security Program Direct Coverage plan, *Network Health Extend*, provides access to affordable health care for qualified residents receiving unemployment insurance, and their families, who earn at or below 400% of the federal poverty level: approximately \$43,000 a year for an individual or \$89,000 for a family of four.
- Network Health offers an interdisciplinary approach to care coordination. An integrated care management staff of in-house medical, behavioral health, social service, and pharmacy professionals works together to manage member care.
