

Mission Statement

Our health plan improves the health and well-being of our members and their diverse communities.

Vision Statement

Network Health is the plan of choice for MassHealth and Commonwealth Care members and providers. We are nationally recognized for our innovative programs and partnerships.

Core Values

Our Members Come First.

Their health care needs
guide all our decision-making.

Our Partners are Key to our Success.

We partner with members, health care professionals, and community groups to advance excellence in care and service.

Our Employees are our Greatest Asset.

We respect the worth of each employee. Our work environment promotes creativity, teamwork, professional growth, and a bias to action.

Our Integrity is Absolute.

We are good stewards of our resources while being socially responsive to the needs of the diverse communities we serve.

Our Services are Driven by Quality.

We strive for continuous improvement and innovation in all that we do.
