

Fact Sheet

- Network Health is a health plan based in Medford, Massachusetts that provides access to high-quality health care to low- and moderate-income residents of Massachusetts.
- Network Health is a managed care organization contracted by the state to provide health care coverage for the state's Medicaid population (also known as MassHealth), and for uninsured residents (those eligible for Commonwealth Care).
- Network Health serves members through its ***Network Health Together***[™] (MassHealth) and ***Network Health Forward***[™] (Commonwealth Care) plans.
- Network Health is available in more than 300 cities and town, and serves more than 100,000 MassHealth members and nearly 50,000 Commonwealth Care members.
- Network Health partners with a growing network of nearly 18,000 primary care providers, specialists, hospitals, and community organizations.
- Network Health's Commonwealth Care plan, ***Network Health Forward***, extends access to affordable health care for qualified residents 19 years or older who earn at or below 300% of the Federal Poverty Level, or approximately \$66,000 a year or less for a family of four.
- Network Health has in-house medical, mental health, and pharmacy professionals who work together to coordinate member care, plus help with non-medical needs and resources.

Our ***Network Health Forward***[™] (Commonwealth Care) and ***Network Health Together***[™] (MassHealth) members get:

- Doctors' office visits and checkups
- Access to most in-network specialists with no authorization needed
- Prescriptions, hospital stays, X-rays, lab tests, and vision services
- Free or discounted dental coverage
- Easy-to-access family-planning services
